

UNION SPRINGS WOLFPACK BOYS' BASKETBALL TRAVEL TEAM

The second year of the Union Springs Boys' Basketball Travel/AAU Team Program is about to start. This program looks to assemble talented teams that can compete in local and regional tournaments. It is designed for those players who are serious about the sport of basketball and want to compete against the best travel team competition from Central and Western New York. Travel/AAU Basketball has teams from a beginning level to a much more advanced level. We cannot always control who we will be playing. The travel program is separate from Union Springs CCYO so players may be able to participate in both. The players will receive coaching from the US staff and other qualified youth coaches in order to continue to learn our system. This experience will be invaluable for the development of our basketball program.

Tryout Date: Sunday, November 4th

This year we will be conducting a tryout before forming our teams. The tryout day will be on Sunday, November 4th. Boys' in grades 4th -5th will tryout from 1:00-2:15 and boys' in grades 6-8 will tryout from 2:15-3:30. The purpose of the tryout is:

- To assess each player's skill level and determine their ability to play/compete in Travel/AAU Basketball.
- To see how many potential players we have in each grade level. A roster of 8-10 players per team is necessary.

Practices/Tournaments/Uniforms

The players who are selected will practice one time per week on Sunday afternoons starting January 6th until mid-April. They will play in 3 local tournaments from March-April. No overnight stays will be necessary. A tournament schedule will be sent out at a later date. The Union Springs Boys' Basketball Program will provide a reversible jersey. A practice schedule will be provided for each month.

Cost

The total cost for the program will vary according to the tournament registration fees and number of players on each team. An estimate is \$100-\$150 per player. This is a much cheaper alternative to many other AAU Programs. **Payment is not due at this time.**

Tryout Registration

Please email player's name and grade to tdarnell@unionspringscsd.org if you are interested in trying out by Friday, November 2nd.

Questions

Call or email Coach Tim Darnell, Union Springs Boys' Varsity Basketball Coach, at (315) 730-6605 or tdarnell@unionspringscsd.org.
