Instruction

## **SUBJECT: PURPOSES OF INSTRUCTIONAL MATERIALS**

The purpose of instructional materials shall be to implement, enrich, and support the educational program of the school.

Instructional materials should contribute to the development of positive social and intellectual values of the students.

The Board of Education shall provide the faculty and students in the District with such instructional materials as are educationally needed and financially feasible to make the instructional program meaningful to students of all levels of ability.

Students should be responsible for the cost of replacing any materials or property which are lost or damaged through negligence. Minimum fees for materials used in those activities beyond the basic curriculum in which the students elect to participate, particularly in shop activities where the product becomes the property of the student, may be charged.
