

# **VACANCY**

## **SCIENCE TEACHER** (High School - .6 FTE)

Starting August 27, 2025

Biology and/or Earth Science Certification.

Teach two sections of high school science with a lab utilizing instruction based on the NYS Science P-12 Learning Standards in either Biology and/or Earth and Space Science.

There is a very strong likelihood of this position turning into a 1.0 Science Position in the 2026-2027 school year.

**Salary & Benefits:** Per USTA Contract.

Qualified candidates should apply at [Olasjobs.org](https://Olasjobs.org).

Posting Date: 6/3/2025

**Deadline: 6/20/2025**
